Personal Information Protection

Personal Information Protection Policy

At VIS xxxx we are committed to providing owners and residents with lawful service. As providing this service involves the collection, use and disclosure of some personal information about our owners and residents, protecting their personal information is one of our highest priorities.

While we have always respected the privacy of our owners and residents and safeguarded their personal information, we have strengthened our commitment to protecting personal information as a result of British Columbia’s Personal Information Protection Act (PIPA). PIPA, which came into effect on January 1, 2004, sets out the ground rules for how B.C. businesses and not-for-profit organizations may collect, use and disclose personal information.

We will inform our owners and residents of why and how we collect, use and disclose their personal information, obtain their consent where required, and only handle their personal information in a manner that a reasonable person would consider appropriate in the circumstances.

This Personal Information Protection Policy, in compliance with PIPA, outlines the principles and practices we will follow in protecting owners’ and residents’ personal information. Our privacy commitment includes ensuring the accuracy, confidentiality, and security of our owners’ and residents’ personal information and allowing them to request access to, and correction of, their personal information.

XYZ Management Corporation has been contracted by the Owners of Strata xxxx to act as agents on their behalf. As agents all owner related information is dealt with in a manner compliant with this existing privacy legislation.
